BusMinder
SAFETY SECURITY ACCOUNTABILITY

Families using the Blackfriars / LinkSA North East and North West routes can use BusMinder to manage the use of their Blackfriars bus service.

BusMinder provides the security of knowing your son has boarded his bus and arrived safely at his destination using real-time information.

BusMinder lets you know exactly where your son is at any point during his commute and sends confirmation of boarding and arrival to your smart phone.

BusMinder allows you to set personalised alerts to prepare you for the morning departure and afternoon arrival of the school bus.

The BusMinder app will inform you of how many minutes the school bus is from your designated bus stop and alert you when the bus is close by - simply choose the bus route, select your nearest bus stop and set the alert duration.
