## PURPOSE

The purpose of this policy is to ensure compliance with the ESOS Act. This policy is based on the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (in force from 1 January 2018).

## SCOPE

This is applicable to all organisational procedures in relation to international students that hold a Student Visa (500).

Staff must read this policy and be familiar with all the standards, especially those that relate to their role, but NOT ONLY those that relate to their role.

## STANDARD 1 – MARKETING INFORMATION AND PRACTICES

Standard 1 is relevant to the following roles:

- Business Development and Marketing
- Student Recruitment
- Student Services (admissions / records)
- ICT management

- 1.1. Our marketing must be of a high standard, clear and unambiguous, so that potential students and their parents can make informed decisions about their preferred provider and program. The marketing practices of Blackfriars must uphold the reputation of Australian international education and training and be undertaken in a professional manner

Our marketing material must have our CRICOS number on it if the course / program is offered to international students on a Student Visa (Visa 500)

We must avoid false or misleading information or advice in relation to:

- o claims of association between Blackfriars any other provider where a partnership does not exist;
- o the employment outcomes associated with a course;
- o automatic acceptance into another course;
- o possible migration outcomes;
- o pre-requisites, including any related to English Language proficiency;
- o any work-based training a student is required to undertake as part of the course;
- o guarantee successful educational assessment outcomes; or
- o any other claims relating to us, our courses or outcomes associated with the courses

Blackfriars must not actively recruit a student where this clearly conflicts with our obligations under Standard 7 (Transfer between registered providers)

If there are additional costs associated with a program, other than tuition fees, this also needs to be made clear in published materials. Our International Student Offer and Acceptance Agreement must also contain this information.

## 1.2. Modes of Study

Course outlines should indicate how a course is to be delivered (e.g. on-line, distance, classroom delivery).

## 1.3. Assessment Methods

Course descriptions should indicate how a course is to be assessed (e.g. Assignments, tests, exams). Teachers are required to participate in meetings to determine methods from time to time.

## 1.4. Teaching Locations

If a program is to be offered at more than one teaching location this must be specified in the Course Information Material entry.

## 1.5. Arrangements with Other Providers

When Blackfriars has agreements with other providers, Blackfriars will then be directly affected by Standard 2 (1d) which requires that students be given current and accurate information about details of any arrangements with another registered provider, person or business to provide the course or part of the course.

## 1.6. Work-based Training (Practical Placement)

Standard 2 (1d) requires that Blackfriars give students current and accurate information about details of any arrangements with another registered provider, person or business to provide the program or part of the program. If the program includes work-based training as part of the program, it needs to be made clear to students that work placements are likely to be conducted off-campus.

## 1.7. CRICOS Codes / Registration

All applicable teaching locations details and their appropriate CRICOS Codes must be up-to-date and accurate on all materials.

## 1.8. Provider Name and CRICOS Provider Code

Blackfriars name (and/ or relevant trading name) and CRICOS provider code must be shown on all written and electronic publications, materials and correspondence used to market Blackfriars and its programs to international students.

This includes but is not limited to brochures, posters, letters, emails, websites, flyers, presentations (for recruitment purposes), business cards, advertisements, and any other materials produced by agents and partner institutions in English or otherwise. Where any material contains a pull out or tear away section, the removable section should also comply. Failure to do so constitutes an offence under section 107 of the ESOS Act 2018.

## 1.9. Unregistered Programs

Blackfriars can only create marketing materials and actively promote programs registered on CRICOS, to international students (student Visa).

Don't promote anything that is not listed on CRICOS scope.

*Note: Section 8 of the ESOS Act provides for a maximum penalty of imprisonment for two years for offering an unregistered program to international students.*

#### 1.10. Development of Promotional Materials

All Blackfriars promotional materials must be developed in accordance with our policy and must be checked by the Principal before it is used.

#### 1.11. Arrangements with Other Providers

If Blackfriars and another one registered provider is involved in providing a program to international students, only one provider will be registered on CRICOS for that program, which could be Blackfriars or its partner depending on the role taken by either. All advertising and promotional material must carry the registered name and CRICOS provider code of Blackfriars registered for the program.

#### 1.12. Migration Outcomes

No false or misleading advice in relation to possible migration outcomes can be provided. Blackfriars staff should not provide any form of migration advice to students. Only registered Migration Agents may provide migration information.

#### 1.13. Students Transferring from Another Provider

It is not permitted to enrol students transferring from another provider before the student has completed six months of their principal program of study, except in specified circumstances. Refer to Standard 7 for more information
