

With SEQTA Engage you can use any Internet browsing device to check out your son's timetable, class attendance, contact their teachers, view subject course information, assignments & homework.

The SEQTA Engage link is <https://engage.bps.sa.edu.au/>

Now just type in your parent portal username and password. It is a good idea to bookmark this site in your browser.

Parents of students recently enrolled or current parents who have misplaced their portal credentials please contact us at [seqta@bps.sa.edu.au](mailto:seqta@bps.sa.edu.au) *As with any digital credentials, it is important that you are the only person who uses your parent portal ID and password.* The parent portal homepage contains variety of features and links. Some will be familiar, others will not.

## Timetable

Using the arrow keys you can navigate through time to the date/day you wish. Clicking on the subject square will give you options to colour in that class on your timetable , and contact the subject teacher with *Direct Message* or with email indicates student attended this lesson

## Courses

In the *Courses* section, you will find a general description of the subject (including topics / units covered), an assessment outline (task description, due date, weighting, achievement / performance standards), and a semester / yearly planner. Click or tap on the *Cover page* section to reveal this helpful information.

The screenshot shows the Engage app interface for the '09 Game Programming' course. On the left, a sidebar lists various courses, with '09 Game Programming' selected. The main area is titled '09 Game Programming' and features a green header. Below the header, there is a text block that reads: 'The value of game programming extends beyond providing an easy and interesting introduction to computer coding, it will challenge your creativity. Like any other form of art, designing games keeps your creative mind active. Whether you are planning the game's story line, graphics, characters, or all of the above. Programming also hones your logical thinking, critical reasoning, problem identification and solving skills, and persistence.' A 'TODAY' section on the left shows a calendar view with dates and icons.

Tapping or clicking on a current term week or just on the *TODAY* link, will show you any classwork or homework that your son needs to attend to.

This screenshot shows the same '09 Game Programming' course page, but with more detailed information. The 'TODAY' section on the left is expanded to show a list of weeks (T1 W1, T1 W2, T1 W3, T1 W4) with dates and icons. The main content area has a patterned background and text that reads: 'In class this week we will be starting the Click Ball tutorial:'. Below this, there are two buttons: 'Game Maker Tutorial - Click Ball.pdf' and 'Click Ball Resources: Click Ball Resources.zip'.

## Dashboard

On your *Dashboard* there are a range of useful tools. For example, the *Homework* option lets you see what current tasks your son needs to complete for all his subjects.

The screenshot shows the 'Homework' settings menu on the left, with a dropdown menu set to 'ALL OPTIONS SELECTED'. The menu items are: 'Homework', 'Notes', 'Task list', and 'Unresolved absences'. On the right, a list of homework tasks is displayed for two subjects: '09 Product & Clothing Design' and '09 Humanities and Social Sciences'. The tasks include instructions like 'Make sure you are up to date on your Folio' and 'Check up coming online lessons to be prepared'.

## Settings

*Settings* allows you to customise the appearance of your SEQTA Engage homepage.

## Notices

Displays general notices for daily events such as room changes and also upcoming occasions such as assemblies, competitions or concerts.

Clicking on **Date** in your **Inbox** will change the date order of your messages

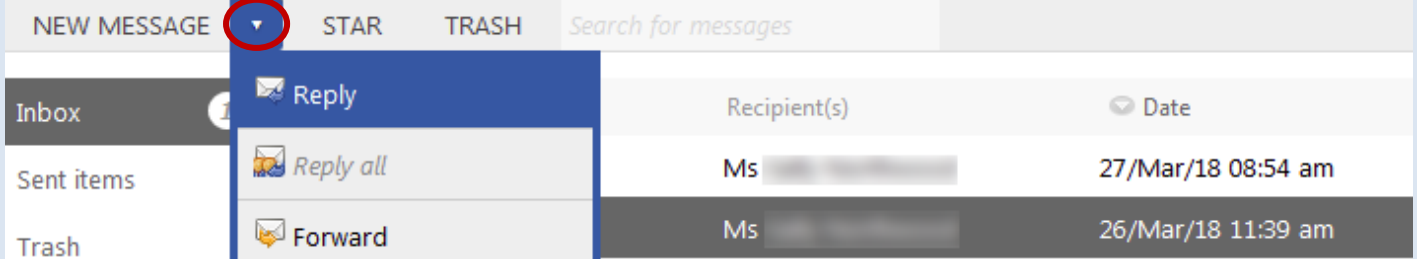

When composing a NEW MESSAGE you can **Add files** (up to 32mb), hyperlinks, themes, etc.

You can select a staff member for your NEW MESSAGE by either typing in the teacher's name in the *Select Staff* search box or use the drop-down menu of names.

*TIP:* Clicking on the  button will direct your message to your son's house leader.

REPLY to a Direct Message, click on the  drop-down menu by NEW MESSAGE & select *Reply*

To check if your message has been read just go to your *Sent Items* box and click on the message.

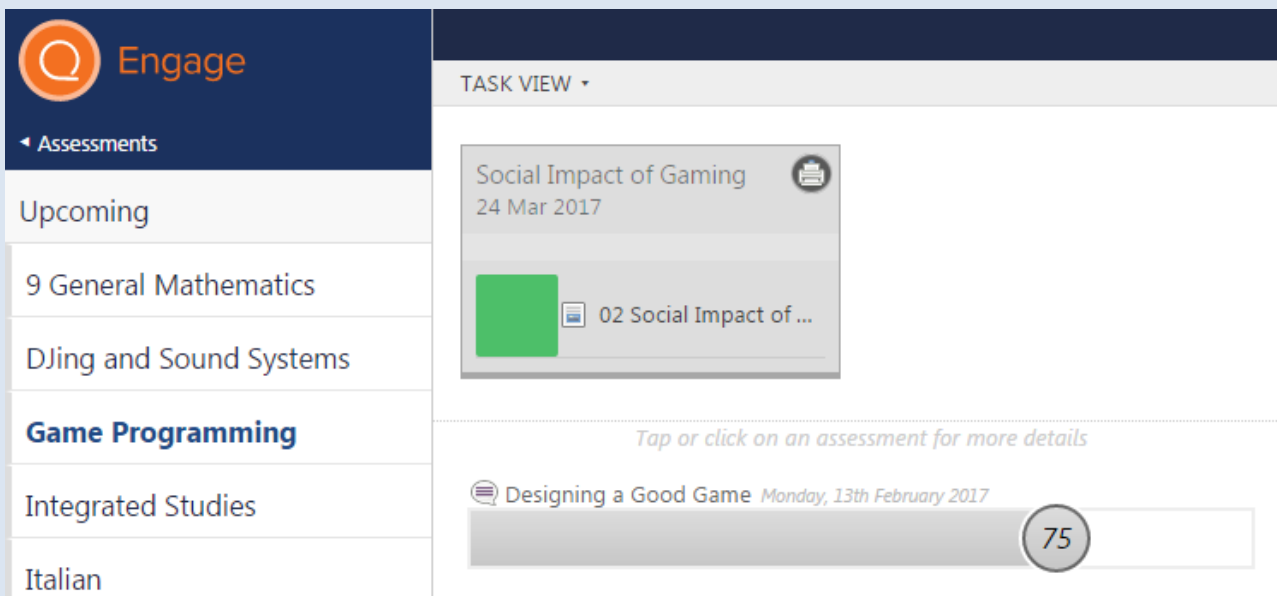

Then in the right-hand side to the message window, you can see if it has been *Read*.

**\*To update contact details or email address, send a Direct Message to:**

## Assignments / Assessments

We have just started using SEQTA at Blackfriars and over time you will see your son's assignments and assessments being posted in SEQTA Engage. Clicking on a subject will display your son's upcoming assignments and show their task assessments with results / comments.

Also your *Direct Message* alerts  will advise you of any new assessment results that have been posted for your son.
