Date:	

Please return this completed form before 20 October 2023 (Friday, Week 1 Term 4)

to ctodman@bps.sa.edu.au

Participation in Vocational Education and Training (VET) programs is a choice made by parents and students. There is a cost associated to undertake any VET Course which covers materials, services and the Registered Training Organisation (RTOs) cost of delivery.

Student involvement in these courses and arrangements regarding attendance and payment of the course fees must be discussed with the Director of Teaching, Learning and Pathways prior to applying.

Please note that completion of this Expression of Interest form does not guarantee entry into the course.

Training Agreement & Code of Conduct

I undertake to meet the expectations of this program and I understand that:

- I have carefully read the course information and agree to attend all sessions of the course
- **I understand the costs involved and that our share of fees will be on-charged as stated in the school policy (Blackfriars will financially support VET students offering a 50 % discount on VET fees up to \$1000 annually – the discount is dependent upon continued enrolment and successful completion). Withdrawals up to 3 weeks from the commencement of the course may incur the full cost, at the discretion of the Training Provider.** Please note that ALL external courses are provided entirely by RTOs and separate withdrawal conditions may apply.
- It is my responsibility to make all necessary travel arrangements
- If unable to attend I must inform **both** my RTO **and Blackfriars** of my absence
- I must abide by all attendance, behavioural and other expectations of the RTO while attending training
- I must comply with the Workplace Learning Guidelines when undertaking Work Experience or Structured Workplace Learning
- Accreditation will be issued through the RTO on satisfactory completion of the course
- The Director of Teaching, Learning and Pathways will confirm my acceptance into this course once VETRO has been completed and notification has been received by Blackfriars from the Dept. for Innovation and Skills
- Should any problems arise, I will discuss immediately with either the Director of Teaching Learning and Pathways or trainer, as appropriate.
- I need to balance my school workload, work, social, sporting and family commitments, so that it does not interfere with attending my VET course

Selection Guideline

Selection for entry to FIPs VET Courses is completed via an online VETRO process under the supervision of the Director of Teaching, Learning and Pathways and will require the provision by the students of the following:

- Identified relevant interest and / or previous experience, and an identified career pathway – for example voluntary work, work experience, try-a trade or working in a family business.
- Completion of study at school, in a SACE subject, related to the particular career pathway, for example through EIF or Research Project

This section must be completed by the Director of Teaching, Learning and Pathways

I confirm that:

--

Has met the selection criteria for the above-named course.
