1 Purpose

These procedures are designed for overseas students (or their authorised representative) and the school providing the education and training to overseas students.

The procedures relate to the complaints and appeals process under Standard 10 of the Education Services for Overseas Students (ESOS) Act 2000: National Code of Practice for Providers of Education and Training to Overseas Students 2018.

The procedures also relate to complaints under Standards 8 and 9 of the ESOS Act 2000 concerning unsatisfactory course progress or attendance or behaviour, and/or any circumstances that lead to a change in enrolment status that could adversely affect an overseas student's visa conditions.

All other complaints not related to these issues should be resolved in accordance with each education institution's internal policies and procedures and / or in accordance with the relevant Catholic Education SA or South Australian Commission for Catholic Schools policy or procedure.

2 Principles

- 2.1 Both schools and international students are entitled to raise complaints.
- 2.2 All efforts are to be made to resolve complaints at the school level.
- 2.3 Natural justice requires both/all parties to have the opportunity to put their case and be heard.
- 2.4 The complaints and appeals process is to be conducted in a dignified and respectful manner, maintaining confidentiality to the extent that is possible, in a timely manner and, at minimal or no cost to the complainant.
- 2.5 This procedure does not remove the right to take action under Australian Law.

3 Scope

- 3.1 These procedures are for use in Catholic schools in South Australia that provide education and training to overseas students.
- 3.2 A Catholic school may use its own documented processes in relation to complaints and appeals as outlined above, if these meet the requirements of Standard 10 of the National Code of Practice (2018) as outlined in this document. Schools undertaking this course of action are required to advise and provide an electronic copy to the Director of Catholic Education SA director@cesa.catholic.edu.au

4 Policy Supported

An outcome letter signed by the Director of Catholic Education should inform the overseas student of the external complaints and appeals process available through the Overseas Students Ombudsman (see section 17) should the overseas student be dissatisfied with the result of the complaints procedure and seek further redress. The overseas student must be informed that the Overseas Students Ombudsman will assess whether the school has followed the requirements of the National Code of Practice for Providers of Education and Training to Overseas Students (2018) <https://www.legislation.gov.au/Details/F2017L01182>, rather than make a decision on the outcome.

Part B: School Instigated Internal Formal Complaints / Appeal Procedure

Part D: Further Complaints and Appeals

If, at the conclusion of the internal complaints and appeals processes, including the Catholic Education SA appeals process, and the Office of the Training Advocate or Overseas Students Ombudsman determination, the overseas student can access multiple external appeals. However, the school is not required to assist the overseas student with finding further appropriate appeals processes.
